

Retain Pro 2007 License Options

Small Office License – 3

Allows installation and activation on up to four office/home/laptop computers. All may be used simultaneously. If a fifth computer is needed you would need to first deactivate one of the others. Cannot be installed on a server. *\$395.

Small Office License – 12

Same as Small Office License – 3, except allows up to 12 installations/activations, all with simultaneous use. Cannot be installed on a server. *\$595.

Network License

To be installed on a server for access by up to 25 workstations. Not to be installed on individual computers. *\$795.

*Prices shown are for new users – discounts available for current user upgrades; see web site for ordering options (www.retainpro.com).
