**NOTES:**

1. Small office license permits installation on up to four office/home/laptop computers but only one simultaneous user allowed. If installed on a network a second simultaneous user will be denied access. Network license allows unlimited user at one site network/server.
2. If upgrading from Version 6, please fax title page of your User's Manual with your name, company, phone number, and email. Be sure your company name and phone number will match our verification database.
3. Software is downloadable from the internet (no CD). Manuals and books are mailed.
4. "Branch office" is same company at secondary location.
