NOTES:

1. Single User License allows a company to install a fully registered version of Retain Pro 9 on any number of personal computers, but can be activated for simultaneous use on either 4 or 12 computers, depending upon the order option selected. Network License is to be installed on a server from which it can be accessed by up to 25 computers for simultaneous use.
3. Software is downloadable from the internet (no CD). Manuals and books are mailed.
4. "Branch office" is same company at secondary location.
